EXPERIENCES

Empire Landscape

Silver Spring, MD

Accounting & Compliance Analyst

October 2025-Present

- Serving as the primary contact for compliance and regulatory documentation for all related processes across the organization.
- Managing certified payroll compliance across **200+ projects**, ensuring alignment with federal MBE regulatory requirements.
- Expanding support for payroll operations of **300+ employees** across three divisions, assisting with reporting processes.
- Conducting compliance reviews identifying documentation gaps and preparing audit-ready reports.
- Support general ledger reporting and bank reconciliations to strengthen financial controls and reporting accuracy.

TD Bank

Rockville, MD

Banker

April 2025-October 2025

- Processed **50+** daily financial transactions while maintaining strict compliance with regulations and internal audit controls.
- Partnered with bankers to identify customer financial needs while ensuring compliance with audit and security requirements.
- Reviewed financial documentation and resolved account discrepancies to improve operational efficiency.

ONE Campaign

Washington, D.C.

Finance Intern

October 2024-December 2024

- Collaborated with the Finance Manager on month-end close, and audit prep to ensure full compliance with GAAP standards.
- Supported daily accounting functions, including invoice processing, accounts payable, and account credit card reconciliation.
- Assisted in compiling **150+ statements and contracts** for the FY24 global audit, ensuring accurate data consolidation.
- Utilized software systems such as Sage Intacct, Expensify, and Bill.com to streamline core accounting processes.

Iridium

Tysons Corner, VA

Financial Analyst Intern

May 2024-August 2024

- Built financial models and conducted ad-hoc analysis that identified **\$250K** in cost savings across operational decisions.
- Led financial forecasting across departments, building models for long- and short-term revenue and cost planning scenarios.
- Developed visual dashboards in Power BI to streamline reporting workflows and improve forecasting accuracy.

Billhighway

Troy, MI

Finance/Accounting Intern

January 2024-May 2024

- Managed the updating of General Ledger entries and tracked accounts receivable, facilitating timely reconciliation.
- Assisted in bank reconciliations and month-end closing tasks, contributing to financial integrity of all systems.
- Created monthly financial summaries and variance reports to assist senior leadership in budget review meetings.

LEADERSHIP & VOLUNTEER WORK

Nonprofit Community Center

Potomac, MD

Budgeting/Accounts Coordinator

January 2020-December 2022

- Collecting and analyzing financial data, such as revenue and expenses, and making recommendations for cost savings.
- Developed and managed annual budgets for the center, ensuring alignment with financial goals and tracking variances.

EDUCATION

University of Maryland – Robert H. Smith School of Business

College Park, MD

Bachelor of Science in Finance

December 2024
